VI. CITIZEN’S FORUM *There were no citizens present.*

VII. OLD BUSINESS

1. Commission By-Laws

By-laws were shared for review and input with no concerns. Chair
Reisinger asked staff to pursue the preparation of a letter for him to sign
to remove members from the commission that have not been attending.

Action: Staff Janice Nadal will review attendance records and draft a
letter for review.

2. Proposed Passenger Loading Zones on Escuela Pkwy

Mr. Rodriguez reported that staff notified the Escuela Parkway
Transportation Committee of the BTAC’s preference to not pursue the
conversion of bike lanes on Escuela Pkwy between Washington Dr and
Russell Ln to a Bike Route with time-of-day passenger loading zones.
Mr. Rodriguez also reported that as part of the Escuela Pkwy
Transportation Committee that a consultant study is being funded by a
grant from the UC Berkeley Institute for Transportation Studies (ITS) to
identify possible safety improvements to help circulation and access
around the schools. If the bike lane conversion is recommended through
that study, the item will be brought back to the BTAC for additional
input.

VIII. NEW BUSINESS

1. Communications Protocol

Chair Resinger discussed communications between Alt. Member
Roeidger and Mayor Esteves regarding the approved bike lane removals
on Main St. Current city construction projects have already removed the
bike lanes on N Main St between Weller Ln and Carlo St. The
installation of new bike lanes on Abel St that were also approved to
compensate for the removal of the bike lanes on Main St are also in
construction.

Chair Reisinger stated that discussions regarding bike or transportation projects with BTAC members should occur at the BTAC meetings. Mr. Rodriguez also stated that statements from any BTAC members that conflict with previously stated positions of the BTAC reflects poorly amongst staff and the BTAC. Jaime discussed the background with the adoption of the Midtown Specific Plan and shared details from the plan that highlighted the street cross-sections on Main St and Abel St. Jaime reiterated that statements to the council or other public forums from the BTAC should be from the Chair or the council liaison, Vice-Mayor Gomez.

2. Bike Map

Mr. Rodriguez reported that the bike map was on the City's BTAC webpage and the City's Transportation webpage. Mr. Rodriguez also discussed bike lanes deployed since the current map was prepared including new bike lanes on Evans Road, S Park Victoria Blvd (currently under construction) and designed for future deployment on McCarthy Blvd. Mr. Rodriguez stated that grant funding was being pursued to prepare a new map for the City.

Action: Ms. Nadal will email the bicycle map link to the Commission.

3. Bicycle and Pedestrian Improvements

i. VTA Countywide Bicycle Plan

Mr. Rodriguez shared the County's bike plan and their request to collect input on their preferred bike network. It was not clear what information was being requested to the BTAC asked for the County to come back at the next meeting to clarify. Alt. Member Roediger requested that Main St be removed from the County's preferred bike network as the bike lanes were being removed per the specific plan and stated that Main St was no longer going to be a safe environment. Jaime stated opposition to Alt. Member Reisinger's statement and suggested that the BTAC decide whether the item of bike lane removal was important to them to pursue. The BTAC decided not action was to be pursued for Main St.

The BTAC requested someone from the BTAC be at the next meeting to discuss improvements along City streets that cross Montague Exp. Mr. Rodriguez suggested getting back on to the agenda and discussing Safety items later in the agenda.

ii. Midtown Specific Plan – Bike Lane Removal

No action taken. Item discussed during Communications Protocol and VTA Countywide Bicycle Plan discussions.

iii. Escuela Schools Traffic Congestion Committee Update

Chair Reisinger reported on meetings with the Escuela Schools Traffic Congestion Committee. Stated that the committee works well together and that various improvements had been implemented with assistance from the City and that they were awaiting notification of grant funding from MTC to do more complete studies than that being done by the Berkeley ITS program.

iv. Open Forum

There were no items discussed in Open Forum.

4. Safety

Alt. Member Roediger shared photos of bike crossings at Montague Exp & Great Mall Pkwy-Capitol Av that he believed were not safe and required attention. Mr. Rodriguez stated that their concerns would be forwarded to the County for consideration of improvements since the City does not operate or maintain that intersection.

Mr. Rodriguez reported that bike lanes on Great Mall Pkwy between McCandless & Montague Exp would be put back per design but additional bike lane extensions at the intersection of Montague Exp would require input from the County.

5. Public Awareness

i. Art & Wine Festival – August 19 & 20, 2006

The event is now called “Celebrate Milpitas”. Chair Reisinger reminded the commission of the volunteer opportunities at the Bicycle Coral for the event.

ii. Open Forum

There were no items discussed in Open Forum.
